Sonya Torreiter, SLP, MHSc

Daisy-Mae Hamelinck, OCT, M.A., B.Ed., B.A. (Hons), SSWD

The Language Rehab and Cognition (LaRC) Lab

What is it?

We are looking for individuals with no history of long-COVID.

We are conducting a research study that is evaluating the language and thinking skills of individuals living with long-COVID. This research may contribute to the development of more sensitive assessment tools for detecting long-COVID.
